## *Silent Auction Rules*

Some items will be auctioned silently prior to the live auction. Bid sheets and auction items will be displayed at tables around the hall. You may bid on the silent auction items any time after you obtain your bidder number. To bid, simply write your bidder number, name, and the new amount in the next available space. The increments for raising a bid are listed on each individual bid sheet. Be sure to listen for table closing announcements. Bidding will close on some tables before others.

You may choose to purchase an item at the guaranteed “Buy It Now” price indicated in red at the bottom of the bid sheet. Write your bidder number and name next to the “Buy It Now” price, and X through the bid table, so that others will know this item has been purchased. You may claim your “Buy It Now” item(s) from the tables once Checkout begins.

## *Live Auction Rules*

1. High bidder takes the item(s) offered on the “block.”
2. The Auctioneer will make clear whether one or more than one item is on the block and whether the buyer is buying all or part of the package.
3. When multiple items in the same package are being auctioned (indicated by the “number offered” entry in your program), the high bidder (or back-up bidder) has the option to take any or all of what’s left at the “hammered” price. It is the Auctioneer’s discretion as to how to deal with any remainder of the package.
4. The Auctioneer must know that you’re bidding to acknowledge your bid. Do what is necessary to ensure that this happens. The

Auctioneer has the right to refuse late bids and to set appropriate bidding increments.

5. Determination of the high bidder and backup bidder is at the discretion of the Auctioneer.
6. All items are assumed to be "as advertised," with no further warrantee, guarantee or liability attached unless otherwise negotiated between buyer and seller after the auction.
7. Prices/estimated values on dinners, trips, etc. are per person unless otherwise stated.

***Obligatory Disclaimer: Every effort has been made to represent items accurately. We apologize for any errors.***

## Checkout

Items you have purchased and bids you have won will be summarized on an invoice, payable this evening, with cash, check or credit card. Checks save the Church a credit card processing fee, but plastic works too. We accept Visa, MasterCard, Discover, and American Express.

Don't forget to pick up your silent auction purchases before you go home, including gift cards, vouchers, and certificates.

## *Fund-a-Need*

### **How it works**

The auctioneer will coordinate collaborative bidding. In other words, all bids will accumulate to reach the goal of the need. By bidding, you are simply making a 100% tax-deductible donation to the church designated for the need. Note that these funds are not part of the Service Auction proceeds, but instead are designated for the particular purpose for which they are being raised. The auctioneer will suggest a dollar amount to donate, simply raise your paddle at the amount you are comfortable giving.

### **#5001 Eldredge Annex Roof and Repairs**

Even after the new fellowship hall is built, and the church expanded, the Eldredge Annex will continue to be a vital building, providing critical office and meeting space.

A significant amount of maintenance was completed by volunteers Randy Ruchotzke and Michael Lee this spring (many thanks!!). However there is work remaining that we need to hire a professional to complete, specifically, the roof and carpet need to be replaced, and other miscellaneous repairs. Any funds raised in excess of the cost of the immediate repairs needed will be used for other building repairs in the future.
