Please return your pledge card by April 17, 2016. Thank you.

## **“SPRINGING FORWARD” in Our UUCK Stewardship Campaign**

Your dedicated annual Stewardship Campaign Team is always eager to improve our ways of doing things. So . . . this year we are integrating some new approaches into our annual Stewardship Campaign process.

Change 1: As you see on the front of this pledge card, we are asking those of you who are renewing your pledges to consider raising the amount by selecting one of the three suggested percentage rate increases. If you have not previously pledged, we are asking you to consider making a formal commitment to the Church and its budget process by pledging for the upcoming year.

Change 2: You will not receive an individual canvassing call during this year’s Campaign. But please know that we are happy to respond to any questions, concerns, etc. which you may have; feel free to contact any of us as needed.

And so, with visions of the spring which lies just around the corner, we celebrate our Church’s many wonderful programs, ministries, events, and fellowship opportunities and look forward to realizing our dreams of moving into a beautiful new social hall. Your personal generosity, your pledge, will help provide the resources necessary to keep our foundation strong this year as, together, we continue to grow into an incredible future.

Thank you,

Co-Chairs Claudia Miller, Jennifer and Theresa Walton-Fisette, and Marion Yeagler ; and Treasurer Sandy Eaglen
