Silent Auction Rules

Some items will be auctioned silently prior to the live auction. Bid sheets and auction items will be displayed at tables around the hall. You may bid on the silent auction items any time after you obtain your bidder number. To bid, simply write your bidder number, name, and the new amount in the next available space. The increments for raising a bid are listed on each individual bid sheet. Be sure to listen for table closing announcements. Bidding will close on some tables before others.

Live Auction Rules

1. High bidder takes the item(s) offered on the "block."
2. The Auctioneer will make clear whether one or more than one item is on the block and whether the buyer is buying all or part of the package.
3. When multiple items in the same package are being auctioned (indicated by the "number offered" entry in your program), the high bidder (or back-up bidder) has the option to take any or all of what's left at the "hammered" price. It is the Auctioneer's discretion as to how to deal with any remainder of the package.
4. The Auctioneer must know that you're bidding to acknowledge your bid. Do what is necessary to ensure that this happens. The Auctioneer

has the right to refuse late bids and to set appropriate bidding increments.

5. Determination of the high bidder and backup bidder is at the discretion of the Auctioneer.
6. All items are assumed to be "as advertised," with no further warranty, guarantee or liability attached unless otherwise negotiated between buyer and seller after the auction.
7. Prices/estimated values on dinners, trips, etc. are per person unless otherwise stated.

Obligatory Disclaimer: Every effort has been made to represent items accurately. We apologize for any errors. Packages are subject to change. This catalog is for reference only.

Statements

At any time, you can see and print your statement, including purchases, payments and donations at www.togetherauction.com/kentuu. Login using your phone number. Your PIN is defaulted to the last four digits of your phone number.

Updates are real time as items are closed and entered. We encourage you to review your statement for any issues or discrepancies ahead of checkout on your smartphone or tablet.

Checkout

Items you have purchased and bids you have won will be summarized on your statement, payable this evening, with cash, check, credit card or gift certificate. Checks save the Church a credit card processing fee, but plastic works too. We accept Visa, MasterCard, Discover, and American Express.

Don't forget to pick up your silent auction purchases before you go home, including gift cards, vouchers, and certificates.

Event Reminders

One week prior to any event on the auction calendar, an automated email will be sent to the donors and winning bidders to remind them of their upcoming event. Please note, this sometimes does not work as expected. Donors, please coordinate directly with winning bidders as needed.

Of course, at any time, donors and bidders can access their statement online at www.togetherauction.com/kentuu to see when their events are, who is coming, and contact information.
