Social Justice Special Collections Nominations

Special Collections are a monthly part of our UUCK worship services that collect donations from the congregation for social justice causes and organizations which are highlighted that month. In the past, the Social Justice Committee and Task Groups have decided our special collections, balancing different issues, local, national, and global efforts, long-standing partnerships, emergent issues, and crises.

Our democratic principles call us to involve YOU more directly!

How nominations work:

May	Nominations for special collections are submitted by the congregation
June	Information about nominated organizations is posted
June 9 th -16 th	Voting at church and electronically
	Organizations with most votes will be scheduled monthly over the next year
