

Equal Exchange Products

Did you know that you can still support our Social Justice work and small farmers thru our Equal Exchange sales even when the church is closed during the pandemic? Well good news! You can!

We still carry coffees, teas, oil, chocolate and cocoa. In addition, I am still able to place special orders for folks who are running out of their supplies. It's easy. Just send an e-mail to me at Tdnsns1@aol.com or call me at 330-472-0956 and I will set up a way to get you what you need.

I look forward to being able to serve you during this time.
