What's happening in Virtual RE This week? Saturday morning 6/20 at 10:00 AM

Hi Friends!

Last week we continued the conversation about what is happening in our country and how you, as a young person, can make a difference. I was so inspired by your loving hearts and your wisdom. Thank you for being the amazing kids you are! You are making a difference in this world and I am so proud of you!

This week we will celebrate PRIDE! Have you ever been to a PRIDE parade? Unfortunately this year we cannot attend PRIDE events, so I will bring the PRIDE parade to RE and we will learn about the history behind these festive and inclusive traditions and WHY they are important!

Do you have a rainbow flag at home? Or a story about a time you went to a PRIDE parade or event? Bring your stories with you to RE this week!

Saturday morning at 10:00 AM ! You will get a chance to share your thoughts and share some time together. I hope you will come!

NEW YOUTH SUMMER SCHEDULE!

Now that we have spent time planning (and even completing a project together), Summer is here and it's time to go into "Summer mode". Last Sunday we agreed on a Summer schedule and a few projects to focus on. Be on the lookout in your email and on the Remind app for project reminders, permission slip needs and virtual meet-up dates.

I am so proud of our outstanding youth!
