

COURAGE FOR RACIAL JUSTICE AND COLLECTIVE LIBERATION WORKSHOP

National organizer, Chris Crass, led a variety of interactive activities to stimulate personal growth in racial justice thinking and action. The theme of the workshop was how white people can build stronger racial justice values and action in their communities and the country. Mr. Crass is one of the leading voices in the nation calling for and supporting white people to work for racial justice. He works with community groups, schools and faith communities to develop leadership and momentum for social justice action.
