Hymn Lyrics

#36 When in Our Music

lyrics adapted by Christie and Emily

When in our music Love is glorified,
and adoration leaves no room for pride,
it is as though the whole creation cried Alleluia!
How often, making music, we have found
a new dimension in the world of sound,
as worship moved us to a more profound Alleluia!
Let every instrument be tuned for praise!
Let all rejoice we have a voice to raise!
And may together let us sing always Alleluia!

I am a Part of All that I Know

by Emily Hall

I am a part of all I see
All that I am and all I believe
I am a part of all that I hear
All that I cherish and all that I fear

I am a part of all that I feel
What is imagined and what is real
I am a part of that all I see
Joy and love, sorrow and peace

Who are you, who are you
Who are you, are you too?
Who are you, who are you
Who are you, who are you

I am a part of all that I know
Part of the rain and part of the snow
Part of the sun and part of the moon
Part of the song and part of the tune

I am the light, the rising sun
I am the day that's just begun
I am the flower and I am the dove
I am sorrow/grace and I am love

What are we, what are we
What are we, are we only what we see
What are we, what are we
What are we, are we only what we see

I am the scent of a moonlit night
I am the clear cold crystal light
I am the fire and I am the heat
I am the wind blowing wild and free

Who we are, who we are
Who we are, we've come so far
Who we are, who we are
Who we are, we've come so far

I am a part of all that I know
I am a being that's willing to grow
I am the seed, the plant, and the flower
Growing by the grace of eternal power

And I am, all that I am
I am, all that I see
I am, all that I hear
I am, all I believe

Who are we, who we are
Who we are, we've come so far
Who are we, who we are
Who we are, we've come so far

We are life, we are life
We are life, we are life

Teach Your Children

by Graham William Nash

You, who are on the road
Must have a code you try to live by
And so become yourself
Because the past is just a goodbye

Teach your children well
Their father's hell did slowly go by
Feed them on your dreams
The one they pick's the one you'll know by
Don't you ever ask them why
If they told you, you would cry
So just look at them and sigh
And know they love you

And you, of tender years
Can't know the fears your elders grew by
Help them with your youth
They seek the truth before they can die

Teach your parents well
Their children's hell will slowly go by
And feed them on your dreams
The one they pick's the one you'll know by
Don't you ever ask them why
If they told you, you would cry
So just look at them and sigh
And know they love you

#1021 *Lean on Me*

Sometimes in our lives
we all have pain,
we all have sorrow.
But if we are wise
we know that there's
always tomorrow.

Chorus: Lean on me when you're not strong
and I'll be your friend, I'll help you carry on,
For it won't be long 'til I'm gonna need
somebody to lean on.

Please swallow your pride
if I have things
you need to borrow,
For no one can fill
those of your needs
that you won't let show.

Bridge: Just call on me brother when you need a hand.
We all need somebody to lean on.
I just might have a problem that you'd understand.
We all need somebody to lean on.

Chorus

Bridge

If there is a load
you have to bear
that you can't carry,
I'm right up the road,
I'll share your load
if you just call me.

Call me... call me...
