Extinguishing the Chalice

#456 words by Elizabeth Selle Jones

We extinguish this flame but not the light of truth, the warmth of
community, or the fire of commitment. These we carry in our hearts until
we are together again.

#318 *We Would Be One*

We would be one as now we join in singing
our hymn of love, to pledge ourselves anew
to that high cause of greater understanding
of who we are, and what in us is true.
We would be one in living for each other
to show to all a new community.

We would be one in building for tomorrow
a nobler world than we have known today.
We would be one in searching for that meaning
which bends our hearts and points us on our way.
As one, we pledge ourselves to greater service,
with love and justice, strive to make us free.

#1008 *When Our Heart Is In a Holy Place*

Chorus: When our heart is in a holy place,
When our heart is in a holy place,
We are bless'd with love and amazing grace,
When our heart is in a holy place.

When we trust the wisdom in each of us,
Ev'ry color ev'ry creed and kind,
And we see our faces in each other's eyes,
Then our heart is in a holy place.

Chorus

When we tell our story from deep inside,
And we listen with a loving mind,
And we hear our voices in each other's words,
Then our heart is in a holy place.

Chorus

When we share the silence of sacred space,
And the God of our Heart stirs within,
And we feel the power of each other's faith,
Then our heart is in a holy place.

Chorus
